# More windows. More

**W**hen you're looking for quality, energy-efficient windows, look no further than Seymour Windows.

Seymour windows are virtually maintenance-free, manufactured of 100% solid vinyl.

They won't rot, warp, blister or peel, they never need painting, and are designed for easy cleaning.

Each Seymour window is custom-built to meet your

specific requirements, and our strict attention to detail ensures that you get a beautiful window that is guaranteed to maintain its shape and colour under the most severe conditions.
